Metelytsia marks 35 years at Malanka

ELK POINT METELYTSIA UKRAINIAN DANCE CLUB marked 35 years of keeping traditions alive with a showcase of energetic numbers at Saturday's Malanka celebrations at the Elk Point Arts and Leisure Centre. Above, the Senior group winds up the show with the glorious Hopak. Story, Page 2.

Canada 150 grant timely for needed arena upgrades

VICKI BROOKER
 Review Staff

Elk Point and District Agricultural Society is among 14 communities in northern and central Alberta that will share in \$1.75 million in Canada 150 funding to help communities modernize recreation facilities and improve social and cultural infrastructure and programs.

The Ag Society's \$54,235 grant from the Canada 150 Community Infrastructure Program, under the Department of Western Economic Diversification, along with a matching amount from the society, will go to much needed upgrades on the A. G. Ross Arena, and is especially timely, with Elk Point hosting the Midget 'D' Hockey Provincials at the end of March.

"We put in the application last summer because we needed to replace the

roof on the Zamboni room," Arena Operating Committee member Doug Bassett said. "We knew we had to replace it regardless of whether we got the grant because it leaked so badly when it rained."

The roof was not the arena's only problem, the society soon learned, with the ice plant's compressor found to be in immediate need of replacement as well, an item with a \$50,000 price tag. "We had the money to do that, and we figured we would make it almost through the winter with enough money to pay the power bills and operating costs."

The grant approval not only has eased the society's worry about how to pay the bills, it's also allowing them to replace all the lights in the lobby, halls and dressing rooms with more energy efficient options, something Bassett said that "we weren't going to be able to do without the grant." The new lighting will

help the Arena Operating Committee to save on their operating costs and will also brighten up the arena, he added. "And the best part is, (the grants) gives us money for some other touchups to the arena, such as painting the lobby and hallways, before the provincials."

Margaret Bayduza, who is also part of the Arena Operating Committee, agreed that "We are very fortunate that this grant was available right now, when we were hit with a couple of major repairs," and recalls the summer day when "we scrambled to get the application in. We pulled together a quick meeting to move to apply and then Doug and I met at 10 a.m. the day the submissions were due. It was the play-group year end party so I left (her son) David at the spray park with the other moms and we did the application on the computer in the arena. The submissions were due at 2 p.m. and I think we had

maybe 15 minutes to spare. Best return on my time ever!"

Bayduza said she hope there will be similar programs in the near future, "as all these old community arenas need to be upgraded." In Elk Point, for example, she noted, "we are going to need to replace the whole ice making plant sooner rather than later."

Other grants under the Community Infrastructure Program went to arenas in Mannville, Marwayne, Smoky Lake, Bruderheim and Two Hills, as well as to other community facilities in Fort Chipewyan, Wabasca, Caslan, Lac La Biche and Waskatenau. Canada 150 Fund grants under the Department of Canadian Heritage went to the St. Paul and District Arts Foundation and to a youth centre in Chard, while a Canadian Cultural Spaces Fund grant went to Fort McMurray Historical Society for flood recovery repairs.

Metelytsia celebrates 35th Malanka

VICKI BROOKER
Review Staff

It's 35 years this month since Elk Point Metelytsia Ukrainian Dance Club celebrated their first Malanka, an event that has become an annual tradition. This year's celebration filled the Elk Point Arts and Leisure Centre with family and friends, all eager to enjoy their favourite Ukrainian foods and sit back to watch the talented young dancers perform the traditional dances

OFF TO A GOOD START, the Beginners prance and kick their way through the Pershi Kroky.

of the various regions of the Ukraine.

Marushka, the Ukrainian Gypsy storyteller who once again served as the evening's MC, told the audience that 'Metelytsia' means 'whirling snowflakes,' an apt name for the group that "every January, is sure to dance up a storm."

Dance Club president Melissa Rogal welcomed the audience and said that the format "is a little different this year; we have a new instructor, Kelsey Oilinyk, who wasn't able to be here tonight, but sends her

wishes to all the dancers for a great performance."

Tammy Klatt asked grace before everyone dug in to a huge and delicious pyrohy supper, created by the club's parents and other volunteers, with two enormous anniversary cakes created by Golden Loaf Bakery for dessert.

The first dancers to showcase their talents were the seniors, Rhianna Bjorkman, Jorja Theriault, Mykaela Verenka, Paige Henderson, Sam Henderson, Charlie Rogal, Hank Rogal and Ty Smereka, who performed the lively Zabava of the Volyn region.

Intermediate dance Dae Smereka presented the evening's only solo, a delightful number from the Hutzul region entitled 'Maid of the Mountains.'

Three tiny Beginners, Anton Bezpalchuk, Travis Petruk and Colton Scott, performed the first of two dances from the Potltava region, with their delightful Pershi Kroky. Juniors Anna and Charlotte Henderson, Brock Jacula, Shyanne Klatt, Iva Matanovic, Jacob Petruk, Brenden Scott, Evett and Hadley Smereka were next on stage with their fast-moving Poltavskyi Tanets.

Intermediate dancers Shaylyn Klatt, Calei Penner, Avery Smereka, Dae Smereka and Rylee Verenka showed style, grace and stamina as they romped through their Polissian Girls number.

As always, the showcase concluded with the Hopak, which is the national dance of the Ukraine, with the senior boys exhibiting their energetic moves, jumps and kicks, while the girls wove their way through the dance's complex moves in a swirl of the colourful ribbons on their flowery headgear.

Draws were made for numerous door prizes for boys, girls, women and men before Cody Kurek came on stage to auction off two trays of meat left from the dinner as a club fundraiser, with Glenn Peterson paying \$210 for the first tray and Kendall Albert \$125 for the second.

The evening concluded with a very enjoyable family-style dance to the fine music of 'The Gruuve.'

THE INTERMEDIATE DANCERS, above, perform the graceful moves of the Polissian Girls dance.

THE JUNIORS kick up their heels in the lively steps of the Potavskyi Tanets, left.

Two big wins, OT loss move Elks into third place

VICKI BROOKER
Review Staff

It's been a three-game week for the Elk Point Elks, who started off the week heading across the border to Hillmond on Monday night to take on the Hitmen, coming home with a loss in overtime, Ben Blacklock, assisted by Mark Brodbin, and Matthew Boulianne, assisted by Jordyn Wozniak and Myles Whitford, scoring for the Elks in that game.

Saturday night at home at the A. G. Ross Arena was a whole different hockey game, as the Elks defeated the Kitscoty Monarchs by an 11-3 margin. The Elks wasted no time getting on the scoreboard, Conrad Pierce scoring off assists by Scott Ward and Myles Quinney just under three minutes into the game, and Matthew Boulianne assisted by Myles Whitford and Sean Joly adding another before mid-period. Kitscoty

tied the game with two goals in under two minutes, but the Elks pulled ahead again late in the period, Ward assisted by Whitford and Boulianne in this one.

The Elks added goals by Joly and Chevy Botting, off assists by Ward, Whitford, Wozniak and Nicolas Trufal, in the first half of the middle frame, with the Monarchs scoring their final goal of the night before Ward made it 6-3 with the assistance of Boulianne and Zach Zarowny.

Five more Elks goals made it past the Kitscoty goalie in the final period, Whitford assisted by Ward and Boulianne, Pierce assisted by Davin Buck and Quinney, Botting assisted by Blacklock and Zarowny, Whitford assisted by Botting and Jason Kalynchuk, and Trufal assisted by Wozniak and Botting, to bring the final score to 11-3.

Sunday saw the

Elks on the road again, this time to Marwayne for a game against the Dewberry Mustangs, where a 10-3 victory over the Mustangs moved the Elks up into third place in the league. That game saw four goals from Devin Moneta and a hat trick for Sean Joly, with one goal each for Scott Ward, Chevy Botting and Jordyn Wozniak. Assists came from John Schmitt, Myles Whitford, Botting, Wozniak and Zach Zarowny. Chance Bensmiller scored two of the Dewberry goals and assisted on the third goal, scored by Bryce Goldsmith, who had assisted one of Bensmiller's goals, other assists coming from James Rabbit and Tyson Knight.

This weekend, the Elks will welcome home the Elks Alumni, players from earlier years who are coming back to swap stories, meet old friends and the fans who cheered them on in years gone by. After a meet-and-greet session from 3:00 to 5:30 p.m., the Alumni and today's Elks will face off at 6 p.m. Following that game, there will be a special tribute to the late Mike Boratynec at the beginning of the Elks game against Paradise Hill Hawks at 8:30 p.m.

Canada Day to include 'biggest high school reunion ever'

VICKI BROOKER
Review Staff

Word that a former F. G. Miller High School student planned to organize a class reunion for the Canada Day long weekend was all it took to inspire Elk Point's Canada Day Committee to add 'The Biggest High School Reunion Ever' to their list of July 1 events.

All grad classes are encouraged to organize and invite their classmates to return to Elk Point that weekend, with the committee planning to celebrate and acknowledge each class that reunites. There may even be a prize for the class with the highest percentage of returning classmates taking part in this great opportunity to get back together with old friends and share reminiscences of high school adventures.

If you're getting your class together for the reunion, why not put together a float, rustle up some vintage cars or resuscitate some team uniforms and take part in the Canada Day Parade? Plans for that crowd-

pleasing event are coming together, with additional barriers to be put in place along the parade route to ensure drivers do not cross the route during the parade. The committee is also planning to encourage residents near the route to monitor their streets during the parade. A float paying tribute to military veterans from the area will also be part of the parade, with 25 veterans confirmed to date.

Afternoon activities will be many and varied, with children's activities getting a financial boost from the Early Childhood Development Committee to assist with bounce houses, a clown and balloon artist, and face painting all on the schedule. Special activities for teens and older children are also in the planning stage.

This year marks the 100th year of 4-H in Alberta, and Elk Point 4-H Multi Club will be part of the afternoon, with displays of projects and a dog agility demonstration in the stage area. The club only has six members this year, but also has pheasant and craft projects

underway.

The home-based business trade show is being moved out of A. G. Ross Arena to the outdoor rink area for higher visibility, and once again, spaces will be free of charge to the vendors, who are encouraged to bring their own tents or shelters if required.

Afternoon entertainment on the outdoor stage will include a 45-minute set by illusionist and impersonator Greg T, as well as local vocal and fiddle entertainment, with the committee still waiting for confirmation from dance groups in the area. Local entertainers are also being encouraged to become 'Famous in A Small Town' in the talent competition that replaces Canada Day Idol, with one winner chosen to have their name engraved on a large challenge trophy. That competition will also serve as entertainment during supper, and will be followed by another 45-minute show by Greg T.

A family dance and the traditional fireworks display will round out the evening.

New course ideas welcome at Further Ed

VICKI BROOKER
Review Staff

Elk Point and District Further Education is starting off the New Year with a full lineup of courses, with a pair of 'Paint Party' sessions already completed, the always-popular Stretch and Tone exercise classes already in their third week and Dance Fitness in its second week. The first sessions of two other courses start this week, with the first Retirement Planning session going tomorrow night and the first Rhyme Time family literacy session on Thursday at the library.

Upcoming courses offer both practical knowledge and hobby skills.

English as a Second Language will be offered in a pair of 10-session courses that start in late February and early April, three sessions of Computer Basics are slated for March and two levels of I pad basics at the end of February and the beginning of March. Dates have not yet been set for Standard First Aid and First Aid Recertification. DSLR Camera Use and Photography Basics is coming up later in March and April.

Shirley Kinneberg, who instructed the Paint Party sessions, will be back April 1 with a pair of half-day sessions where participants can explore various techniques and mediums. Card makers will enjoy Stamping for Spring on April 6.

Third doctor should arrive in April

VICKI BROOKER
Review Staff

The long awaited news that Elk Point's third doctor is now doing his three-month assessment placement in St. Paul came from Elk Point Health Care Centre site manager Kristen Peleshok at last week's Interagency Health and Wellness Committee meeting, with Dr. Majeed scheduled to start his Elk Point practice in April.

Staffing is in good shape, Peleshok reported, with a locum RN now on site for a one-month stint to cover a medical leave.

An influenza outbreak in long term care was successfully contained "and was over in two weeks," Peleshok said, with group activities and hairdressing suspended and food served on trays for that period of time, while visitors were limited. Occupancy rates have been higher in recent weeks, with the facility at capacity some days, but "not because of the flu," she noted.

Lab renovations are now underway and will take about three weeks to complete, while renovations to the pediatric wing are almost done and that unit will be opening soon. Peleshok said. "When you have someone (in a management role) on site, you get things done."

Margaret Modin reported that winter activities are underway Mondays through Wednesdays each week at the Seniors' Recreation Centre.

Terry Shankowski reported a very busy December at FCSS, where she coordinated the distribution of

Community Lions Santas Anonymous hampers to 54 families and individuals, some in dire straits. January has been a bit slower, but February is expected to be busy as the tax season approaches, with FCSS planning to continue assisting seniors and low-income residents with completing their forms. Heating issues and gas leaks have plagued the EcoCentre, with the Chamber of Commerce working on a solution to the problems.

Deputy Mayor Lorne Young passed around statistics and maps of the North Zone on behalf of Mayor Parrish Tung, who obtained the literature at the Regional Health Council meeting. News from the town included good feedback on the speed indicator sign borrowed from the County of St. Paul. The town is also in the process of applying for a solar powered pedestrian crossing light, to be installed at the intersection of Highway 41 and 50th Ave.

The town is pursuing grants for replacement of the lights at the airport that would allow fixed wing aircraft to land at night. The project, with a total cost close to \$2 million, would also be beneficial for economic growth, Young said. "It's a great facility, but not well used at this time."

Peleshok volunteered to look at the number of medical flights by both helicopter and fixed wing aircraft and report back at a future meeting.

With a busy February coming up for a number of IHWC members, it was agreed to hold the next meeting on Tuesday, March 21.

EDITORIAL

Good timing

Sometimes, good things happen when you need them the most, and such was the case with the approval of Elk Point Ag Society's application for the Canada 150 Grant.

A seriously leaky roof is bad enough, but when you add in the malfunctioning condenser and the ever-increasing costs of keeping the lights on in the arena, you've got big problems.

The grant has allowed the Arena Operating Committee to get the roof repaired and the condenser replaced, without having to worry about having enough in the bank to pay the power bills for the rest of the hockey season. Being selected to host Midget Provincials would have been a major problem, rather than a major accomplishment, if the AOC was wondering if they scratch up enough funds to keep the arena running until then.

Elk Point's is only one of a list of arenas that will benefit from these grants, and that is as it should be. Alberta's small town arenas are, in many cases, getting to the point where major repairs are badly needed, and money is often lacking to do these essential upgrades, much less than to build new arenas to take their place.

Canada's Centennial in 1967 saw many projects built, and hopefully this 150th birthday will help to keep those and others built since then up and running.

RECREATION CORNER

Elks to take on team's alumni

recreation@elkpoint.ca
Review Contributor

The Elk Point Elks are inviting all former players back for a big reunion on Jan 28th! That's this Saturday. The meet and greet starts at 3, where past players can hang out and rehash some tales from the rink.

The public is welcome to come chat up the alumni before the game and grab a good spot to catch the action. Puck drops at 6 p.m. for the match. Lots of players from various generations of Elks will be suiting up.

During the alumni game you can buy a player for the shootout auction. Following the game, the players who were bought in the auction will have a shootout. The person who buys the player with the most goals will receive half the pot. The other half will go towards arena upgrades and sprucing up the rink for the upcoming Provincial tournament.

Stick around after the alumni match to catch the Elks' final regular season game. Paradise Hill is in town for an 8:30 puck drop. Right before the game there will be a special ceremony honouring former Elks player, Mike Boratyne.

There will be "story telling" after the Elks match so be sure to stay right until the buzzer!

In other Rec news - please sign up early for the ski trip. The transportation is absolutely free. We only need a \$10 deposit to save your seat. The money will be returned to you the day of the trip. Register at the Town Office or call/text 780-207-5898.

WAY BACK WHEN...

Elks win '94 league championship

THE WINNERS! - Elk Point Elks won the Sask-Alta Hockey League Championship series 4 games to 1 last Monday night. Shown with the Sask - Alta Cup are: (back row, left to right) Coach Keith Campbell, Elks Hockey Club President Ed Buck, trainer Kevin Botting, Clayton Holthe, Murray Scoggins, trainer Brian MacLeod, Allan Loughran, Greg Desaulniers, trainer Doug Fisher, Director Albert Boratyne, General Manager Vic Stepa; (middle row, left to right) Duane Wolanuk, Jeff Buck, Tyson Stafford, Assistant Captain Mike Boratyne, Captain Terry Wozniak, Assistant Captain Layne Gauchier, Dwayne Karbasheski; (front row, left to right) Curtis Porcina, Jon Olson, Blair Halfe, Assistant Captain Kerry Loughran, Cory Laboucane.

WITH THE ELKS ALUMNI COMING BACK THIS SATURDAY TO TAKE ON TODAY'S COUNTERPARTS, WE WOULD LIKE TO SHARE PART OF THE STORY FROM THE APRIL 5, 1994 ISSUE THAT TOLD OF THEIR FIRST-EVER SASKALTA LEAGUE CHAMPIONSHIP WIN...

Elk Point Elks wrapped up their first SaskAlta League championship in five games, with a huge crowd of hooting, hollering and bell-ringing fans on hand to celebrate Elk Point's 5-2 defeat of the Bonnyville Pontiacs.

Excitement mounted during the first period as both teams did their utmost to get on the scoreboard. Greg Desaulniers saw to it that the Elks were first to score, with a power play goal assisted by Dwayne Karbasheski after almost 15 minutes of play. Allan Loughran made it 2 - 0 for the Elks with 42 seconds left on the clock, assisted by team captain Terry

Wozniak.

The Elks continued their onslaught during the second period and kept the Pontiacs at bay through a 4-minute Elks penalty. Roy John got the Pontiacs on the scoreboard with two goals, the first assisted by Garth Campbell, brother of Elks coach Keith Campbell.

The tie going into the third period had Elks fans biting their nails for a full nine minutes until Murray Scoggins had them leaping to their feet in jubilation with his goal, assisted by Jon Olson. Five minutes later, Blair Halfe scored unassisted, with the fans barely ceasing their cheers for that goal before Kelly Harms fired in another one, assisted by Wozniak and Olson to make it 5-2 for the Elks.

Campbell credited the win to the "total team effort" of the players, who posed with the cup after its presentation by league president Clarence 'Jiggs' Goldsmith.

Bronze for Atoms

The Atom Avalanche played four games in two days in the St. Paul tournament this past weekend, winning three out of four and winning the Bronze medals of the tournament.

Submitted photo

First year Peewees shaping up

Does it really matter if you win or lose? Darn right it matters, especially if you have lost most of your games all year. Does it make a difference if most of your players are first year? Darn right it does, that one year makes a heck of a difference. The **Peewee Avalanche** should have been playing in tier three this year. Most of their players, other than two returning veterans, team captain Kobe 'the Cobra' Warawa and the big D man Odin 'the Wall' Smith are still first year peewee players. They have been losing games in tier two all year, but the league didn't move them down at the beginning of December because they had won one game and didn't lose the rest by 10 goals or more. Last week they played a very close game in St. Paul and only lost 5 to 4. So maybe this is a sign that the year 2017 will be better for them!

On Saturday at home they played an exhibition game against a tier three team from Bonnyville and won for only the second time this year and the team was ecstatic. Four goals plus an assist for 'Mic Jager' Fontaine, Landon 'the Magnificent' Malachowski with two goals. Team captain Kobe 'the Cobra' Warawa with one, he also added an assist, the big D man Odin 'the Wall' Smith hammering one in from the point, he also added an assist. Brady 'the Bionic Man' Hymanyk scoring his first goal of the year was awarded the Heart and Hustle for his efforts. Solid D man Cea Jay Quinney on the score sheet with an assist. Goalie Vanden 'Super Mario' Moroziuk, (shown at right) who was named the Gold in Net Athlete of the Month, was outshot 59 to 23 but played super and kept the boys in the game. 'Bazooka Joe' Cardinal and 'Wild Wyatt' Pavoll both played really well up front on the forward line pressuring their defense, and on our blue line, Josef 'Big Red' Theriault and Dean 'the Machine' Ockerman making it tough on their forwards trying to get through to get a decent shot on the net.

Keep on trucking. -This is the second week in a row that the **Novice 1 A** team has won by the same score.... a big 10 -4 good buddy! They played at home on Saturday winning over St. Paul 10 to 4. 'Without a Trace' Morgan was between the posts doing a terrific job of tracking the puck. 'Stellar Ella' Ballas scoring the first of her two goals to get the ball rolling assisted by another female player, 'Hurricane Kayl' Warawa. Then 'Hurricane Kayl' would go on scoring two goals, Madden 'Mad Dog' Flamand with a hat trick, Sebastien 'Bruce' Brousseau with a goal and two assists, 'Notorious Nolan' Ballas and Raif 'Rug Rat' Evans Anderson scoring one each. Everett Lindsey assisting on the 'Rug Rat' goal.

Hats off to the **Micro Novice Avalanche**. Hat tricks galore in this one. Lots and lots and lots of scoring in their game Saturday morning against Frog Lake. Jackson 'J. R.' Rawlake scoring his first goal ever, then adding two more for a hat trick. His mom, team manager Carrie Baumgardner saving the puck and putting it up on his trophy case. Hat tricks also for Remington 'Steel' Reynolds, Thomas 'Commander Tom' Melnyk, 'Wyatt Earp' Fontaine, Theo 'Long Horn' Loughran, Jaxon 'Smitty' Smith, and Denys 'the Menace' Kuba. Two goals for Davey 'Crockett' Cardinal. A single for Jonathon McAleese, and a few assists for Jaxon Marcoux.

Not a very easy day at the office for the **Novice 1 B** masked man, 'Good Time Charlie' Lesyk who faced 65 shots when the Lac La Biche Clippers came calling on Sunday afternoon. But he was up for the task and never threw in the towel although I'm sure he would have liked to, he did his part to keep this game under double digits. Kaysen 'Dynamite' DeMoissac scoring the only goal for the Avalanche. Many of

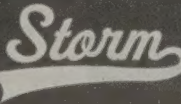

the Avalanche players would almost slip away on a break away, but the Clippers are a good team and would catch up to our forwards and tie them up before they could reach the net.

Another notch in the old hockey stick for the league leading **Midget Avalanche** after winning at home Friday night 6 to 3 over the Bonnyville Pontiacs. Goalie Shayne 'Hercules' Hurtubise was back in the cage after missing a few games with a lower body injury.

(Continued on Page 7)

VANDEN MOROZIUK has trained at Gold In The Net for three years and says "The instructors are awesome and fun. The one-on-one instruction is great, they are helping me with my technique and angles. They are making me a better goalie!"

PARCEL #8 - Part of NE of 21-56-8 W4M: Consists of 18.09 acres of land zoned for Country Residential use. The parcel has good access from R.R. # 83 to secondary highway 646 for travel into Elk Point.

All parcels have either highway or gravel road access for travel.

Additional information concerning the farmlands, copies of recent title searches along with a recent home inspection report and photographs, is available by contacting Christopher J. Sarsons using the contact information below or at csarsons@lloydlaw.ca

TERMS OF SALE: Sealed tenders may be submitted on all of the Parcels, a combination of some of the Parcels or each Parcel separately. Interested parties are strongly advised to submit their bid on Tender Form that is available from Robertson Moskal Sarsons. All tenders must be in writing accompanied by a certified cheque or bank draft for 10% of the bid price, as a deposit, payable to: "Robertson Moskal Sarsons in trust" and placed inside a sealed envelope marked on the outside of the envelope as "HENDERSON TENDER - FILE 6603.16095 CJS" and delivered to our office at the address below either in person, by courier or by mail. Bidders are reminded to include all of their contact/address information. **Sealed Tenders to purchase the Parcel(s) shall be accepted by the undersigned until 5:00 p.m. (MST) on Tuesday, February 28, 2017.** All tenders not accepted shall have their deposits returned by regular mail on March 7, 2017. The terms of the sale shall be cash with the balance of the cash to close to be paid no later than 35 days after receipt of notice of acceptance by the successful tenderer/bidder or else deposit is forfeited as liquidated damages. The successful tenderer shall be responsible for all of the 2017 property taxes and the seller shall be responsible for all property taxes up to and including December 31, 2016. The Purchaser shall pay the applicable GST or provide an acceptable undertaking to self-assess and indemnify the Vendor. Time to be of the essence in submission of any tender and the closing of the sale. The Purchaser relies entirely on their knowledge and inspection of the property independent of any representations or warranties made by or on behalf of the Vendors. Vacant possession of the home can be available within 30 days of notice of acceptance. Vacant possession of the farmlands available on closing.

Tenders must be for the entirety of the Parcel(s) described above including all buildings fixed to the land except for the grain and fertilizer bins located on Parcel 1 which are being sold separately.

THE HIGHEST OR ANY TENDER NOT NECESSARILY ACCEPTED. In the event your tender/bid is accepted, the successful tenderer will be notified in writing on or before fourteen (14) days following the close of tenders. If your tender is accepted your deposit shall become a non-refundable deposit and should the tenderer fail to complete the deposit shall be retained by the vendor as liquidated damages. Interested parties should make such inquiries as they see fit. Copy of home building inspection, photographs of exterior and interior of home, shop and more detailed descriptions of farmlands including aerial photos available from Robertson Moskal Sarsons to interested buyers.

Submit sealed tenders, inquiries and requests for inspections to:

OBITUARY

Allan D. Gregor
Mackenzie, BC

Allan Dale Gregor passed away peacefully on January 14, 2017 at the Mackenzie Hospital after a long battle with emphysema. Allan was born in the Heinsburg/Frog Lake area on March 15, 1937.

He is survived by his wife, Donna; children John, Nicole, Micheal, and Stephen; grandchildren Alyssa and Jaden; and Sisters Elaine, Lila-Jean, and Marge.

There will be a memorial service held at the Mackenzie Baptist Church in Mackenzie on Saturday, January 28 at 2:00PM.

In lieu of flowers, donations may be made to the Canadian Red Cross.

**Hockey**

(Continued from Page 5)

His ankle was broken before and was injured at basketball a few weeks ago. He has made a figured recovery than anyone had figured he would.

If you don't like the taste of something just put a little 'Ketchup' on it, but I figure the Pontiacs had more than enough 'Ketchup' on this night. Kyle 'Ketchup' Kenner had a great night, scored a hat trick and added an assist. Team 'Captain Obvious' Stafford with a goal and an assist, slick and tricky Nick 'Sparky' Anderson with a goal and an assist, Bowen 'Bam Bam' Rider banging in a goal. Three assists for the big man Brody 'Big O' Odgaard. A couple of helpers for the hard nosed defenseman 'Warrior Warren' Ference.

The **Atom Avalanche** played four games in two days in the St. Paul tournament this past weekend, winning three out of four and winning the Bronze medal of the tournament. Coach James Capjack commented that. "It was teamwork that helped win these games. Work hard. Work smart. Work as a team." Their first game on Saturday they beat Lacombe 7 to 3. The second game later that day they beat Bonnyville 5 to 2 even though they were short two key defenseman, 'St Nic' Penner and Sam 'Spiderman' Rogal both missing for this game. Forwards Cash 'CC' Capjack and 'King Kong Konnor' Poiras stepped up, filling in on the blue line. Sunday morning they played a

tier one team from Vegreville losing a tough one 6 to 4, Vegreville scoring into the empty net when the Avalanche pulled the goalie for the extra attacker. And not just once, but twice. Back to back games on Sunday for the Avalanche, packing up their bags in one arena walking over to the other and started playing right away against Bonnyville, winning once more, this time 6 to 4 for the Bronze medal.

The **Bantam Girls Storm** played extremely well up in Bonnyville on Saturday against the Lakeland Jaguars, most likely the best game of the year for them. The game getting very intense, the score 1 to 0 after the first, 3 to 0 after the second period, and 6 to 0 at the end of the game. Pretty darn good for our girls who are much younger but working very hard at practice and the games, so there is a light at the end of the tunnel.

Let the games begin! The **Bantam Avalanche** had this weekend off, but are playing a provincial game in Mallaig on Tuesday night. The second game, if necessary, will be in Elk Point on Wednesday night. The Atoms travel to Paradise Valley on Friday night for their first provincial game, the return trip if necessary is on Saturday in Elk Point.

And now for the K. A. Campbell quote of the week. "If they can fit through the door; I don't want them." Last weeks answer to: "You'll never see me bragging about goals, but I'll talk all you want about my assists." - Wayne Gretzky

Celebrate Family Literacy Day!**ELK POINT MUNICIPAL LIBRARY**

Review Contributors

All ages from tiny tots to seniors are invited to come to Elk Point Municipal Library this Thursday, Jan 26, between 10 a.m. and 5 p.m. to celebrate Family Literacy Day, a national awareness initiative created by ABC Life Literacy Canada in 1999.

The event is traditionally held each year on Jan. 27, the library has moved the local campaign to raise awareness of the importance of reading and engaging in other literacy-related activities as a family ahead by one day to coincide with the library's after school reading program session at 3:45 p.m., which will take the form of a games night instead of the

usual programming, featuring a life size Jenga game, along with Twister, Monopoly, Trouble and others to play with friends and family! The youngsters are encouraged to bring along their parents and siblings, because everyone is welcome and cookies and juice will be served.

Earlier in the day, we hope that the seniors will drop in for coffee and join in some card or board games, and that parents and their preschoolers will also stop by and enjoy learning at play in the children's section.

Another special February event is the Library Tea, which for this month only, has been moved back a week and will be held on Valentine's Day, Tuesday, Feb. 14! Please mark your calendars, because you won't want to miss it!

session each Tuesday to start on a new stack of quilts to donate to organizations and agencies, and each Thursday sees the quilters working on their own projects.

Yoga classes are currently underway in Heinsburg, where basic computer courses are also being considered.

Ideas for several new courses were put forward at the first Further Ed Council meeting of the year, ranging from food preparation safety to hunter training to sign painting, and more ideas are always welcome. Call Verona Lea at 780-724-4101 for more details.

Further Ed

(Continued from Page 3)

Sewing and quilting are back on the agenda with a Silent Night Wall Hanging in February and a special full day of creating a Canada 150 project coming up March 25. Daytime quilting is back in
